Teacher Notes

- This activity works great individually or in pairs.
- I like to print page 5 on colored paper (not necessary but it looks great when finished and you can hang up on a bulletin board).
- The order of the boxes do not matter. Just make sure students have the correct boxes for each simplified fraction:

$\frac{1}{2}$ - Boxes with the letters J, Q, X, C, S, B

$\frac{3}{4}$ - Boxes with the letters V, M, D, L, H, W

$\frac{1}{4}$ - Boxes with the letters F, R, I, N, U, K

$\frac{2}{5}$ - Boxes with the letters G, A, P, T, O, E

- If you have any questions or concerns, please email me at mathindemand@hotmail.com.
